OUR SKILLS: DUAL FOCUS: « Litigation » and « Compliance »

Coat Haut de Sigy de Roux acts daily before criminal, civil and commercial courts and represents its clients before regulatory authorities.

Our partners define pre-trial strategies and manage any urgent situations or crises, such as damage to image or reputation.

We advise our clients on compliance, in particular how to interpret their legal and regulatory obligations, and guidelines and publications from regulators.

Our firm can help your company set up internal procedures in particular to fight money laundering, terrorism financing, corruption and influence peddling, professional ethics and international sanctions.

Our partners have unique expertise in multi-jurisdictional cases, especially in investigations by foreign authorities.

This dual focus on litigation and compliance enable us to have a global approach, including prevention, litigation and remediation.

Coat Haut de Sigy de Roux provides internal training specially adapted to the needs of its clients.
